<u>Attention: Mr. Fernando Orozco</u>)	

The California Regional Water Quality Control Board, Santa Ana Region (hereinafter Board), held a hearing on February 29, 2008 to receive testimony and take evidence on the allegations contained in Complaint No. R8-2008-0012, dated January 3, 2008, and on the recommendation for the imposition of administrative civil liability pursuant to California Water Code Sections 13385 and 13399.33 in the amount of \$4,000. The Board finds as follows:

1. On April 17, 1997, the State Water Resources Control Board (SWRCB) adopted Waste Discharge Requirements, Order No. 97-03-DWQ, (NPDES No. CAS000001), General Permit for Storm Water Discharges Associated with Industrial Activities (Permit). Orozco International (Orozco), located at 9871 8th Street, Rancho Cucamonga, is authorized to discharge storm water under the Permit, WDID 8 36I019263. The Permit requires submittal of an annual report by July 1 of each year. Orozco did not submit the annual report by July 2, 2007 (July 1, 2007 was a Sunday). Subsequently, Board staff sent two certified Notices of Non-Compliance (NNCs) to Orozco. The first NNC was mailed on August 7, 2007, and was received by the facility on August 9, 2007. The second NNC was issued on September 10, 2007, again by certified mail. The facility received the second NNC on September 11, 2007.
2. In both NNCs, Board staff requested submittal of the completed annual report, a statement explaining why the annual report was not submitted by the July 2 deadline, and the measures that would be taken to ensure that future annual reports are submitted on time. Both NNCs also warned about the mandatory penalty for failure to submit the annual report. In the second NNC, Board staff requested submittal of the completed annual report by October 10, 2007.
3. In addition, Board staff left a message for Mr. Orozco on October 4, 2007 reminding him that the annual report must be submitted by October 10, 2007, or a penalty would be assessed for the non-submittal of the 2006-2007 annual report. The annual report has not been received.

4. The facility violated the Permit, the Federal Clean Water Act and the California Water Code by failing to submit the annual report by July 2, 2007.
5. Water Code Section 13399.33(c) requires the Board to assess a mandatory penalty of one thousand dollars (\$1,000) for failure to submit the annual report. In addition, Water Code Section 13385(a)(2) provides that any person who violates waste discharge requirements issued pursuant to Federal Clean Water Act shall be civilly liable. Section 13385(c) provides that civil liability may be administratively imposed by a regional board in an amount not to exceed \$10,000 per day of violation. The total maximum liability for failure to submit the annual report is \$1,860,000.
6. Water Code Section 13385(e) specifies factors that the Board shall consider in establishing an amount of civil liability, including prior history of violations. These and other factors were considered by the Assistant Executive Officer in establishing the amount of civil liability imposed on Orozco.
7. On January 3, 2008, the Assistant Executive Officer issued Administrative Civil Liability Complaint No. R8-2007-0012 to Orozco proposing that the Board impose civil liability in the amount of \$4,000 on Orozco for failure to submit the annual report by the due date.
8. Issuance of this Order is exempt from the provisions of the California Environmental Quality Act (Public Resources Code Section 2100 et seq.) in accordance with Section 15321, Chapter 3, Title 14, California Code of Regulations.

IT IS HEREBY ORDERED that, pursuant to California Water Code Sections 13385 and 13399.33, administrative civil liability shall be imposed on Orozco, in the amount of \$4,000, as proposed in Complaint No. R8-2008-0012 for the violations cited, payable as set forth below.

1. Orozco shall pay \$4,000 to the State Water Resources Control Board in four installments of \$1,000 each, no later than the following due dates:
 - a) First installment due date: March 31, 2008
 - b) Second installment due date: April 30, 2008
 - c) Third installment due date: May 30, 2008
 - d) Fourth installment due date: June 30, 2008

The Executive Officer is authorized to refer this matter to the Attorney General for enforcement.

Pursuant to Water Code Section 13320, Orozco may petition the State Water Resources Control Board for a review of this Order. If you choose to do so, you must submit a petition to the State Board within 30 days of the Regional Board's adoption of this Order.

I, Gerard J. Thibeault, Executive Officer, do hereby certify that the foregoing is a full, true, and correct copy of an order adopted by the California Regional Water Quality Control Board, Santa Ana Region, on February 29, 2008.
